## Shooting Stars Going to Japan!

For the first time, the Shooting Stars will be attending the prestigious World Children's Baseball Fair's Friendship games in Tokyo, Japan! The Sparks will meet and compete with boys from Japan, Taiwan, Cameroon, Germany, and Australia.

Shooting Stars will play three games, participate in cultural events, and stay in dorm with all of the WCBF players. Gift

exchanges are the norm and smiles are contagious.

The WCBF was founded, 19 years ago, by Home run champions Hank Aaron and Sadura Oh. and visionary Dr. Akiko Agishi. BFA's Justine Siegal has served as a WCBF Clinician for three years. In 2009, games will take place instead of clinics. The Sparks will be the first girls' team to compete at the WCBF. Seven
